Subject: Pass at oxitec RTC for sxn g
Attachments: OX5034 r2c Comments on efficacy and trial parameters 03 06 2020.docx

Hi Eric,

I'm massaging the text in my draft based on the attached group of comments. Most of my responses are hand wave-y but I think that's appropriate given the level of detail of the comments and that due to our standard process—the commenters could not view the protocol.

Thanks,
